

Region 1 New England PEHSU EJCC Scholars Elective

Supplemental Questionnaire

Applicant Name: _____ Date: _____

Please feel free to answer these questions in a separate word document.

1. How did you hear about this program?
2. What interests you about the EJCC Scholar Elective?
3. What classes or other experiences do you have in Environmental Health, Environmental Justice and/or Climate Change?
4. What is one thing you would like to learn or get out of this program?
5. How do you plan to use this experience in your personal and/or professional life?
6. Is there a specific topic or type of work you are most interested in?
7. What are your hobbies and passions outside of academic pursuits?
8. What is your greatest skill or personal strength?
9. In what other areas of medicine would you be interested in shadowing/observing.
10. Please describe how you have shown resiliency in your lived experience?
11. In past programs, students have created community facing factsheets on PFAS, Nutrition and Lead Exposure, and Mold. Other students have compiled information to support the creation of provider and community resources on lead, healthy homes initiatives, and climate change resources. Based on these examples and your personal experiences, briefly describe, or propose, a project that you would like to work on that might contribute to the pediatric environmental health field?
